Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

The references cited on the attached substitute form 1449A are being called to the attention of the Examiner. A copy of each reference is enclosed. It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this Statement, and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

The Applicant believes that no fee is required for submission of this Statement because it is being submitted with the patent application and therefore before the mailing date of the first Office action on the merits in accordance with 37 CFR 1.97(b)(3). However, if a
